

## **IT Infrastructure - Storage Refresh FCC715/26**

The City of Fremantle invites submissions for a new enterprise-grade storage platform capable of supporting Production, Disaster Recovery (DR), and Backup workloads under a unified architecture and management framework. The solution must deliver high availability, strong cyber-resilience, predictable performance, and long-term sustainability.

The proposed solution shall be suitable for use in a demanding environment and must meet or exceed all functional, performance, security, and operational requirements outlined in the detailed specification.

**Documentation:** Tender documents can be obtained by registering to the City's e-tendering portal at Tenderlink.

<https://portal.tenderlink.com/fremantle/>

**Lodgement & Deadline:** Tenders must submit their proposals electronically via the same portal no later than **2pm AWST, Monday 18 May 2026**. Facsimile or hand delivered tenders will not be considered. Canvassing of Council members will result in disqualification. Further information can be obtained from Taryn Hellebrekers (08) 9432 9858 during normal office hours.
