Notice of amendment submitted by Cr Sam Wainwright

FPOL1806-15 NOTICE OF MOTION - WORLD REFUGEE DAY - STATEMENT OF SOLIDARITY - CR SAM WAINWRIGHT

Proposed amendment

To add an additional part (part 4) as follows:

- 4. Adopt a broad advocacy position in relation to refugees, to promote inclusion, and bring communities together and authorise the Mayor to speak to this position on behalf of Council.**

Reason for change

The intention is that the Mayor can authorise the promotion of events, Refugee Day etc and can sign off on statements to the press/on the city's social media without going back to Council. However, this is not intended to authorise the Mayor to make any financial commitments/donations, they would need to go through Council in the normal way.
