**C2407-9      RESPONSE TO NOTICE OF MOTION – REQUEST FOR OPTIONS  
FOR RETENTION AND INCREASE OF TREE CANOPY**

**Proposed amendment by Cr Andrew Sullivan**

Amend the Officer's Recommendation to include an additional part 4 as follows:

**Council:**

- 4.    Support increasing the urban forest program capacity over the next four years as part of the draft forward financial plan, to increase the tree planting numbers from the 2026 winter season.**

**Reasons for amendment:**

To allow officers sufficient time to commence planning, planting site identification, tree species selection, tree growing and other associated activities in time for the 2026 winter planting season.

**C2407-10 ADOPTION OF THE ANNUAL BUDGET 2024-2025**

**Additional Officer's Comment**

A dot point on page 95 of the agenda report, refers to \$420K being budgeted for design of CBD public toilet facilities at Collie Street and Beach Street.

By way of clarification, the \$420K also includes the delivery of public toilet facilities at the Beach Street location.
