

MODERN CLOTH NAPPY REBATES

In the span of a child's life, it is estimated that 6000 disposable nappies will be used, which is equivalent to 20 waste bins and will cost over \$2000.

Not only are cloth nappies incredibly beautiful, they're environmentally friendly, made to last, and designed to keep your little one dry and comfortable from newborn to toddler.

The City of Fremantle is offering a rebate of 50% (up to \$150) to residents on the hire or purchase of cloth nappies including swim and night-time nappies, terry and pre-fold nappies, inserts, boosters and liners. Rebates are also available for adult modern nappies. Newborn and night-time trial packs are also available!

HIRING OR PURCHASING YOUR CLOTH NAPPIES

The cloth nappies must be purchased from a business with an ABN or hired from The Nappy Guru (thenappyguru.com.au) up to three months prior to applying for the rebate.
