SEAVIEW TAVERN - 282 SOUTH TERRACE, SOUTH FREMANTLE

OBJECTIVE

To recognise the Seaview Tavern’s role as a neighbourhood tavern and prevent the encroachment of the tavern into the surrounding residential area.

POLICY

1. The Seaview Tavern should remain a neighbourhood tavern catering to, and compatible with, the local community. The tavern should be contained within its present property boundaries. Any enlargement of the site would not be consistent with the tavern’s role or its location in a predominantly residential area.
