FPOL2303-7 VOICE TO PARLIAMENT

Proposed amendment submitted by Mayor Hannah Fitzhardinge

Amend part 2 of the Officer’s recommendation to read as follows:

Council:

- 1. Delivers on its commitment to the Uluru Statement by supporting the “Voice to Parliament” campaign through the provision of community education and awareness of the reasons to support the Voice to Parliament conversation in the lead up to the referendum.**

- 2. Provisionally aAdopts a budget of up to the Mid-tier support– \$35,500, being sufficient funding to deliver outcomes including;**

**Kitchen table conversations staff and volunteer training
Community Kitchen table conversations
History Centre installation
Disclosure panel presentation
Communications campaign**

With final activities to be agreed through collaboration with the Yes campaign in Western Australia.

- 3. Approves a budget amendment for \$35,500 from unfunded expenditure to the 2022/2023 budget for Mid-Tier support for the Voice to Parliament campaign.**

Reason for change:

The Yes campaign is in the process of being established in WA and our funding should be targeted at grassroots events and activities that will not be delivered by them. This amendment gives some flexibility to officers to allow them to determine which activities will be most suitable for the Fremantle community.
