

Fremantle Liquor Accord

Sign-On Form and Memorandum of Understanding

I _____ have authority on behalf of
(Name)
_____ to apply to become a member of the Accord.
(Organisation)

Position: _____
Address: _____
Phone Work: _____ Mobile: _____
Email: _____

The Accord is a long-standing co-operative arrangement aimed at developing safe and well-managed environments in and around liquor licensed premises in the City of Fremantle and Town of East Fremantle. The Accord seeks to:

- promote effective communication and problem solving between licensees and key stakeholders.
- achieve a standard of practice that assists in fostering a responsible drinking culture; and
- ensure safety in the local community.

The Accord encourages the adoption of a range of positive and effective community based harm minimisation and prevention strategies. The Accord aims to advocate for reductions in alcohol related crime, violence and antisocial behaviour.

The Accord members acknowledge that the Accord is an opportunity for collaboration rather than a medium of enforcement and will not be an opportunity to report on the activities of other members.

Some Accord members have statutory regulatory and enforcement responsibilities. It is understood by all involved parties that these responsibilities will continue to be undertaken, as is required by legislation and those responsibilities will occur outside of the Accord in the course of normal business.

The Accord members are entitled to display a Fremantle Liquor Accord membership sticker on their venue, while the licence-holder retains a valid liquor license, to demonstrate their commitment to the Accord.

Review of this MOU will occur as appropriate. If a member seeks to terminate their Accord membership, notification in writing will be required to the Chairperson for actioning and noting.

All correspondence with the Accord administration is managed through the City of Fremantle general 'health' email address: health@fremantle.wa.gov.au or the City of Fremantle website: www.fremantle.wa.gov.au . Telephone enquiries can be made to 9432 9999.
