MACLAREN, Lynn

I am an active community member who became a dedicated Member of State Parliament representing the South Metropolitan electorate (2009-2017) including Hilton, Samson and O'Connor. Since moving to Hilton in 1993 I have lived and worked in and around Fremantle.

As a multi-skilled campaigner with more than a decade of experience and a record of success in championing sensible policy like protecting Beeliar wetlands, making roads safer for cyclists and preparing for sea level rise, I am ready to use these skills to benefit the Hilton ward.

My experience representing you in Parliament and working for WACOSS will strengthen our ability to achieve the Council's goals of improving housing affordability, green infrastructure and community resilience.

Today decisions must be inclusive, compassionate and respectful of our environment. We also deserve value for our rates, efficient services and realistic neighbourhood plans. With your support together we can realise these goals.
