New wayfinding signs to improve visitor experience

We've begun rolling out a suite of new pedestrian wayfinding signs in key locations in the Fremantle CBD, North Fremantle and South Fremantle.

The \$600k Fremantle Wayfinding Project will improve people's experience in navigating their way around the port city by creating a link between key activity areas, highlighting attractions and precincts and directing people to public services and facilities.

You can check out the brand new signs at High Street Mall, Kings Square, Market Street, South Terrace, Phillimore Street and many more key locations around town. Paving will be reinstated with fencing expected to come down by the end of next week (weather permitting). Visit fremantle.wa.gov.au/wayfinding

Upcoming weed control works

Licensed contractors will be undertaking weed spraying at Leighton Beach dunes from Monday 27 June and Sir Frederick Samson Park from Tuesday 28 June. Both are expected to take about two days to complete (weather permitting). We advise you to avoid the areas until the weed spraying signs have been taken down.
