COMMITTEE DECISION ITEM PC1808 – 1

Moved: Cr Adin Lang

Seconded: Cr Dave Hume

The Planning committee acting under delegation 1.2:

APPROVE, under the Metropolitan Region Scheme and Local Planning Scheme No. 4, the three storey Mixed use development at No. 38 (Lot 61) Holdsworth Street, Fremantle, subject to the following conditions:

- 1. This approval relates only to the development as indicated on the approved plans dated 5 July 2018. It does not relate to any other development on this lot and must substantially commence within 4 years from the date of the decision letter.**
- 2. All storm water discharge shall be contained and disposed of on site or otherwise approved by the City of Fremantle.**
- 3. The development, including the primary street fencing indicated on the approved plans, including any footings, shall be wholly located within the cadastral boundaries of the subject site.**
- 4. Prior to the issue of a Building Permit, evidence of the creation of a vehicle access easement, provided over the relevant portions of No. 36 and No. 38 Holdsworth Street, Fremantle, being submitted to the satisfaction of the City of Fremantle.**
- 5. Prior to the issue of a Building Permit, two (2) Class 1 or Class 2 bicycle racks shall be shown on the plans, to the satisfaction of the City of Fremantle. These racks shall be installed on site prior to occupation of the development.**

- 6. Prior to the issue of a Building Permit, a detailed landscaping plan, including information relating to species selection, reticulation, details of existing vegetation to be retained, and treatment of landscaped surfaces (i.e. mulch, lawn, synthetic grass etc), shall be submitted to and approved by the City of Fremantle. The plan should include provision for trees with similar canopy cover to those being removed. Prior to occupation, the approved landscaping shall be installed and thereafter maintained to the satisfaction of the City of Fremantle.**
- 7. Prior to the issue of a Building Permit or Demolition Permit a Construction Management Plan shall be submitted to the satisfaction of the City of Fremantle addressing the following matters:**

 - a) Use of City car parking bays for construction related activities;**
 - b) Protection of infrastructure and street trees within the road reserve;**
 - c) Security fencing around construction sites;**
 - d) Gantries;**
 - e) Access to site by construction vehicles;**
 - f) Contact details;**
 - g) Site offices;**
 - h) Noise - Construction work and deliveries;**
 - i) Sand drift and dust management;**
 - j) Waste management;**
 - k) Dewatering management plan;**
 - l) Traffic management; and**
 - m) Works affecting pedestrian areas.**
- 8. Prior to the issue of a Building Permit, the design and materials of the development shall adhere to the built form requirements set out within clause 4.2 of City of Fremantle policy L.P.P2.3 - Fremantle Port Buffer Area Development Guidelines for properties contained within Area 2.**
- 9. Prior to occupation of the development hereby approved, the car parking and loading area(s), and vehicle access and circulation areas shown on the approved site plan, including the provision of disabled car parking, shall be constructed, drained, and line marked and provided in accordance with Clause 4.7.1(a) of the City of Fremantle Local Planning Scheme No.4, to the satisfaction of the City of Fremantle.**
- 10. Prior to occupation of the development hereby approved, the boundary walls located on the north, west and east boundaries shall be of a clean finish as per the approved plans and be thereafter maintained to the satisfaction of the City of Fremantle.**
- 11. Where any of the preceding conditions has a time limitation for compliance, if any condition is not met by the time requirement within that condition, then the obligation to comply with the requirements of any such condition (other than the time limitation for compliance specified in that condition), continues whilst the approved development continues.**

Advice note

- i. This development approval does not relate to any works within the road reserve of Holdsworth Street.
- ii. This approval relates to the subject site and does not authorise the removal or modification of verge infrastructure and/or verge trees within the verge area. Written approval is to be obtained for removal or modification of verge infrastructure and/or verge trees within the verge area from the relevant City of Fremantle department or relevant service authority, before construction commences. Please refer to the City's Tree Planting and Vehicle Crossings Policies (SG28 and MD0015) for further information.
- iii. Local Planning Policy 1.10 Construction Sites can be found on the City's web site via <http://www.fremantle.wa.gov.au/development/policies>. A copy of the City's Construction and Demolition Management Plan Proforma which needs to be submitted with building and demolition permits can be accessed via:
<https://www.fremantle.wa.gov.au/sites/default/files/Construction%20and%20Demolition%20Management%20Plan%20Proforma.pdf>
The Infrastructure Engineering department can be contacted via ibs@fremantle.wa.gov.au or 9432 9999.
- iv. Stormwater generated from the proposed development is to be retained onsite. The applicant shall consult with City's Principal Engineer and obtain information and guidelines for the stormwater drainage design. Please contact the Infrastructure Engineering department via ibs@fremantle.wa.gov.au or 9432 9999.

PC1808 -2 PAKENHAM STREET, NO. 3 (LOT 52), FREMANTLE - CHANGE OF USE TO TAVERN (BOUTIQUE GIN DISTILLERY) AND CONSERVATION WORKS TO EXISTING BUILDING

Meeting Date: 1 August 2018
Responsible Officer: Manager Development Approvals
Decision Making Authority: Committee
Attachments: 1. Development Plans
2. Site Photos

COMMITTEE DECISION ITEM PC1808-2

Moved: Cr Adin Lang

Seconded: Cr Dave Hume

The Planning committee acting under delegation 1.2:

APPROVE, under the Metropolitan Region Scheme and Local Planning Scheme No. 4, the change of use to Tavern (boutique gin distillery) and conservation works at No. 3 (Lot 52) Pakenham Street, Fremantle, as detailed on plans dated 3 July 2018, subject to the following conditions:

- 1. This approval relates only to the development as indicated on the approved plans, dated 3 July 2018. It does not relate to any other development on this lot and must substantially commence within four years from the date of this decision letter.**
- 2. The approved works are to be wholly contained within the boundaries of the subject site, including the trellis and planter box addition to the Pakenham Street façade.**
- 3. Prior to the issue of a Building Permit, revised plans detailing the following design modifications, based on physical evidence obtained during demolition, to the front, central window on the ground floor:**
 - A nib is to be retained to transom height; and**
 - The frame is to extend to the transom height of original window.****are to be submitted and approved to the satisfaction of the City of Fremantle, on the advice of the State Heritage Office.**
- 4. Prior to the issue of a Building Permit, final details of the Pakenham Street elevation including the proposed conservation works, final materials and finishes and the proposed methodology of carrying out these works is to be submitted and approved to the satisfaction of the City of Fremantle, on the advice of the State Heritage Office. The proposed works are to be based on evidence obtained during the removal of the non-original material.**
- 5. The works hereby approved shall be undertaken in a manner which does not irreparably damage any original or significant fabric of the building. Should the works subsequently be removed, any damage shall be rectified to the satisfaction of City of Fremantle**

- 6. The premises is to comply with the recommendations (noise control strategies and management) contained in the Environmental Noise Report, prepared by Gabriels Hearne Farrell (Ref: 18047) dated 26 June 2018. Details of the implementation of the attention measures are to be submitted and approved prior to the issue of a Building Permit and thereafter implemented (where applicable) to the satisfaction of the City of Fremantle.**
- 7. This development approval does not relate to any works within the road reserve of Pakenham Street, including the proposed 'Parklet' as shown on the approved plans.**
- 8. All storm water discharge shall be contained and disposed of on site or otherwise approved by the City of Fremantle.**
- 9. Any signage not shown on the approved plans shall be the subject of a separate planning application.**
- 10. Prior to issue of a building permit of the development hereby approved, the owner is to submit a waste management plan for approval detailing the storage and management of the waste generated by the development to be implemented and maintained for the life of the development to the satisfaction of the City of Fremantle.**
- 11. Prior to the issue of a Building Permit, a minimum of six (6) Class 3 bicycle racks shall be provided within the subject site, and not affixed to any adjoining building walls, to the satisfaction of the City of Fremantle.**
- 12. Prior to the issue of a Building Permit, a minimum of six (6) lockers for the use of staff of the business shall be provided, to the satisfaction of the City of Fremantle.**
- 13. Prior to the issue of a Building Permit, the design and materials of the development shall adhere to the requirements set out within City of Fremantle policy L.P.P2.3 - Fremantle Port Buffer Area Development Guidelines for properties contained within Area 2. Specifically, the development shall provide the following:**
 - Glazing to windows and other openings shall be laminated safety glass of minimum thickness of 6mm or "double glazed" utilising laminated or toughened safety glass of a minimum thickness of 3mm.**
 - Air conditioners shall provide internal centrally located 'shut down' points and associated procedures for emergency use.**
 - Roof insulation in accordance with the requirements of the Building Codes of Australia.**

Advice Notes:

- i. A Building permit is required for the proposed Building Works. A certified BA1 application form must be submitted and a Certificate of Design Compliance (issued by a Registered Building Surveyor Contractor in the private sector) must be submitted with the BA1.**
- ii. With regard to condition 13, LPP2.3 recognises that it may not be possible to achieve compliance with these requirements in cases where an application involves the adaptive reuse of a heritage listed building. The requirement may be waived on the submission of evidence that compliance would be detrimental to the heritage significance of the building.**
- iii. Whereby the Applicant seeks to dispose of storm water off-site, the Applicant is advised to contact the City of Fremantle's Infrastructure and Project Delivery department for further advice on a suitable drainage solution, whether by maintaining the current/existing connection or through surface flow into the drainage system.**

OFFICER'S RECOMMENDATION

Moved: Cr Jon Strachan

Seconded: Cr Bryn Jones

The Planning committee acting under delegation 1.2:

APPROVE, under the Metropolitan Region Scheme and Local Planning Scheme No. 4, the two storey Single house at No. 1A (Lot 2 SP 71247) Chester Street, South Fremantle, subject to the following condition(s):

1. This approval relates only to the development as indicated on the approved plans dated 13 July 2018. It does not relate to any other development on this lot and must substantially commence within 4 years from the date of the decision letter.
2. All storm water discharge shall be contained and disposed of on site or otherwise approved by the City of Fremantle.
3. The approved development shall be wholly located within the cadastral boundaries of No. 1A (Lot 2 SP 71247) Chester Street, Fremantle including any footing details of the development.
4. Prior to the issue of a building permit, a detailed drawing showing how the balcony located on the north elevation and the privacy screen adjacent to the Bed 3 window, is to be screened in accordance with Clause 5.4.1 C1.1 of the Residential Design Codes by either:
 - a) fixed obscured or fixed translucent glass to a height of 1.60 metres above internal floor level, or
 - b) with fixed vertical screening, with openings not wider than 5cm and with a maximum of 25% perforated surface area, to a minimum height of 1.60 metres above the internal floor level, or
 - c) a minimum sill height of 1.60 metres as determined from the internal floor level, or
 - d) high fascia or structure as shown on the approved plans.
5. Prior to occupation, the approved screening method shall be installed and maintained to the satisfaction of the City of Fremantle.
6. Prior to occupation of the development hereby approved, the boundary wall located on the western elevation shall be of a clean finish in any of the following materials:
 - coloured sand render,
 - face brick,

- painted surface,

and be thereafter maintained to the satisfaction of the City of Fremantle.

7. Prior to the occupation of the development hereby approved, any redundant crossovers and kerbs shall be removed and the verge reinstated at the expense of the applicant and to the satisfaction of the City of Fremantle.
8. Prior to the occupation of the development hereby approved, vehicle crossovers shall be constructed in either paving block, concrete, or bitumen and thereafter maintained to the satisfaction of the City of Fremantle.
9. Where any of the preceding conditions has a time limitation for compliance, if any condition is not met by the time requirement within that condition, then the obligation to comply with the requirements of any such condition (other than the time limitation for compliance specified in that condition), continues whilst the approved development continues.

ADVICE NOTE:

- i. This development approval does not relate to any works within the road reserve of Chester Street. A separate application is required for any verge works including crossovers and street tree removals.
- ii. The new crossover(s) is subject to an application for a crossover. The crossover shall comply with the City's standard for standard crossovers, which are available on the City of Fremantle's web site.
- iii. The City strongly encourages deep planting zones that should be uncovered, contain a retained or planted tree to Council's specification, have a minimum dimension of 3.0m and at least 50% is to be provided on the rear 50% of the site.

AMENDMENT

Moved: Mayor, Brad Pettitt

Seconded: Cr Jon Strachan

Additional condition 10 to be added as follows:

- 10. Notwithstanding condition 1, prior to the issue of a Building Permit the western boundary wall (ground and first floor) is to be setback from the northern boundary to align with the existing boundary wall of No. 21B (Lot 218) Lefroy Road, South Fremantle, to the satisfaction of the City of Fremantle.**

Amendment carried: 6/0

**Mayor, Brad Pettitt, Cr Jon Strachan, Cr Ingrid Waltham,
Cr Bryn Jones, Cr Adin Lang, Cr Dave Hume**

COMMITTEE DECISION ITEM PC1808 -3
(Amended officer's recommendation)

Moved: Cr Jon Strachan

Seconded: Cr Bryn Jones

The Planning committee acting under delegation 1.2:

APPROVE, under the Metropolitan Region Scheme and Local Planning Scheme No. 4, the two storey Single house at No. 1A (Lot 2 SP 71247) Chester Street, South Fremantle, subject to the following condition(s):

- 1. This approval relates only to the development as indicated on the approved plans dated 13 July 2018. It does not relate to any other development on this lot and must substantially commence within 4 years from the date of the decision letter.**
- 2. All storm water discharge shall be contained and disposed of on site or otherwise approved by the City of Fremantle.**
- 3. The approved development shall be wholly located within the cadastral boundaries of No. 1A (Lot 2 SP 71247) Chester Street, Fremantle including any footing details of the development.**
- 4. Prior to the issue of a building permit, a detailed drawing showing how the balcony located on the north elevation and the privacy screen adjacent to the Bed 3 window, is to be screened in accordance with Clause 5.4.1 C1.1 of the Residential Design Codes by either:**
 - a) fixed obscured or fixed translucent glass to a height of 1.60 metres above internal floor level, or**
 - b) with fixed vertical screening, with openings not wider than 5cm and with a maximum of 25% perforated surface area, to a minimum height of 1.60 metres above the internal floor level, or**
 - c) a minimum sill height of 1.60 metres as determined from the internal floor level, or**
 - d) high fascia or structure as shown on the approved plans.**
- 5. Prior to occupation, the approved screening method shall be installed and maintained to the satisfaction of the City of Fremantle.**
- 6. Prior to occupation of the development hereby approved, the boundary wall located on the western elevation shall be of a clean finish in any of the following materials:**
 - coloured sand render,**
 - face brick,**
 - painted surface,**

and be thereafter maintained to the satisfaction of the City of Fremantle.

- 7. Prior to the occupation of the development hereby approved, any redundant crossovers and kerbs shall be removed and the verge reinstated at the expense of the applicant and to the satisfaction of the City of Fremantle.**
- 8. Prior to the occupation of the development hereby approved, vehicle crossovers shall be constructed in either paving block, concrete, or bitumen and thereafter maintained to the satisfaction of the City of Fremantle.**
- 9. Where any of the preceding conditions has a time limitation for compliance, if any condition is not met by the time requirement within that condition, then the obligation to comply with the requirements of any such condition (other than the time limitation for compliance specified in that condition), continues whilst the approved development continues.**
- 10. Notwithstanding condition 1, prior to the issue of a Building Permit the western boundary wall (ground and first floor) is to be setback from the northern boundary to align with the existing boundary wall of No. 21B (Lot 218) Lefroy Road, South Fremantle, to the satisfaction of the City of Fremantle.**

ADVICE NOTE:

- i. This development approval does not relate to any works within the road reserve of Chester Street. A separate application is required for any verge works including crossovers and street tree removals.**
- ii. The new crossover(s) is subject to an application for a crossover. The crossover shall comply with the City's standard for standard crossovers, which are available on the City of Fremantle's web site.**
- iii. The City strongly encourages deep planting zones that should be uncovered, contain a retained or planted tree to Council's specification, have a minimum dimension of 3.0m and at least 50% is to be provided on the rear 50% of the site.**

COMMITTEE DECISION ITEM PC1808 – 4

Moved: Cr Adin Lang

Seconded: Cr Bryn Jones

The Planning committee acting under delegation 1.2:

APPROVE, under the Metropolitan Region Scheme and Local Planning Scheme No. 4, two storey Single house at No. 9 (Lot 16) Stevens Street, Fremantle, subject to the following condition(s) :

- 1. This approval relates only to the development as indicated on the approved plans, dated 9 May 2018. It does not relate to any other development on this lot and must substantially commence within four years from the date of this decision letter.**
- 2. All storm water discharge shall be contained and disposed of on site or otherwise approved by the City of Fremantle.**
- 3. Prior to the issue of a building permit, a detailed drawing showing how the western elevation of the alfresco area is to be screened in accordance with Clause 5.4.1 C1.1 of the Residential Design Codes with fixed vertical screening, with openings not wider than 5cm and with a maximum of 25% perforated surface area, to a minimum height of 1.60 metres above the internal floor level.**
- 4. Prior to occupation, the approved screening method shall be installed and maintained to the satisfaction of the City of Fremantle.**
- 5. Prior to occupation of the development hereby approved, the boundary wall located on the east shall be of a clean finish in any of the following materials:**
 - coloured sand render,**
 - face brick, or**
 - painted surface****and be thereafter maintained to the satisfaction of the City of Fremantle.**
- 6. Prior to the issue of a building permit, the primary street fence shall be truncated or reduced to 0.75m height within 1.5m of vehicle access point in order to provide adequate sight lines or otherwise comply with Clause 5.2.5 C5 of the Residential Design Codes and thereafter maintained to the satisfaction of the City of Fremantle.**

7. Where any of the preceding conditions has a time limitation for compliance, if any condition is not met by the time requirement within that condition, then the obligation to comply with the requirements of any such condition (other than the time limitation for compliance specified in that condition), continues whilst the approved development continues.

Advice note:

- i. This development approval does not relate to any works within the road reserve of Stevens Street.**
- ii. Any new or modified crossover(s) is subject to an application for a crossover. The crossover shall comply with the City's standard for standard crossovers, which are available on the City of Fremantle's web site.**
- iii. The City strongly encourages deep planting zones that should be uncovered, contain a retained or planted tree to Council's specification, have a minimum dimension of 3.0m and at least 50% is to be provided on the rear 50% of the site.**
