

Candidate Details

Ballot paper name	SULLIVAN, Andrew
Candidate name	Andrew Charles SULLIVAN
District	City of Fremantle
Nominating for	Councillor for Coastal Ward
Election type	Ordinary
Enrolment status	SULLIVAN, Andrew is eligible to stand for election as a resident of the City of Fremantle.

Freo has been my home since 1985 living & working in South and central Freo. I care about culture, heritage & those who need our support, representing city & south wards for 22yrs.

I've helped enhance our much-loved local beaches, vibrant streets and town centres. I've led community groups like 'Save Leighton'. The youth plaza, basketball at South Beach, extra tree planting and park upgrades are just some of the projects I've helped deliver.

I've chaired economic & planning groups bringing in \$2+ billion of investment. With more great projects coming soon, vibrancy & safety must and will be improved. My urban planning skills help Council scrutinise development for compatibility. Let's work to maintain our waterfront, our unique retail mix & support new creative industries.

With looming climate change, port relocation, a planning scheme renewal & a city forgotten by government, now is the time for commitment, experience and leadership.
