Giving Back \$140,000 Independent. Accountable. Proven.

I grew up in Fremantle, daughter of Croatian immigrants, shaped by strong community values. As GM of Jundalya, an Aboriginal owned business, I build partnerships with Indigenous communities and the mining sector.

From 2019-2023 I served as South Ward Councillor, Civic Centre blowouts, voting to save the CAT bus, opposing asset sell offs, & pushing for transparency.

I pledge to return my Councillor stipend, \$140,000 over 4 years, back to the community for a youth homeless hub, sporting club upgrades, & heritage projects like annual Heritage Awards.

On Council I'll focus on the basics: CPI only rate increases, better roads, rubbish, parks & lighting, push for restoration of business rubbish services, & new revenue through a Notre Dame lease & a \$10 Round House tourist fee worth \$1.3m.

Fremantle deserves independent voices who put people before politics.
