

Additional Information

Sally has spent over 13 years as a volunteer in community sporting groups (VP & Life Member of the Hilton Park Junior Cricket Club, and President of the South West Metropolitan Junior Cricket Council as well as first aider and volunteer for Fremantle Dockers Junior Football Club). Now her family has grown, Sally is interested in giving back to her community by representing the constituents of the East Ward. Once elected, she will use her stipend (council payment of \$38,000) to donate to local community groups in the East Ward that often struggle to get funding.

Her focus will be on protecting the city's unique heritage, supporting local businesses and families, ensuring financial accountability at council, and delivering basic services like safe footpaths, clean streets and well maintained public spaces.

Sally is committed to listening first, acting fairly and making decisions that put the Fremantle community at centre.

Sally priorities for East Ward

Sustainability with Common Sense

Protect green spaces & heritage while keeping solutions affordable.

Accountability at Council

Ratepayers deserve transparency, responsible spending, & no waste.

Protecting Fremantle's Character

Respect heritage, stop overdevelopment, & keep East Ward unique.

Community First

Safer streets, clean spaces, support for local businesses & families.

Practical Solutions for Everyday Issues

Better footpaths, lighting, parking, & services that actually work.
