Fair Rates. A Stronger Fremantle. Stop the Squeeze on Freo Families. Ease cost of living.

Ratepayers aren't here to pay for council financial mismanagement.

I'll be an independent voice for Fremantle no party affiliations, no backroom deals, no activist agenda. Just common sense for our community.

North Freo needs better pedestrian corridors from the train station to the beach. Council need to work with PTA

Leighton Beach Blvd needs traffic calming safety and liveability matter.

Fremantle must push for underground power to protect and grow our tree canopy.

Booyeembara Parks Amphitheatre deserves restoration, not neglect.

Fill the potholes.

Let's see the council being transparent about project costs, i.e., the South Fremantle toilets saga thats dragged on for more than a decade.

I'll stand up for small businesses and local jobs. Freos traders and venues are the heart of our town. Ill strive to cut council red tape, bring back local events, and bring more customers to our streets.

I'll fight to protect Fremantle's heritage and coastline. Our character is worth preserving.

Fix the verge valet Freo shouldn't be a dumping ground.

Above all, I'll put community before politics and developers. Council should solve problems and improve amenities: safer streets, better upkeep, and responsive services.

FY25 shows a \$6M operating deficit.

Only 50% of capital works delivered, \$10.7M spent from a \$21.5M budget, why?

Civic Centre leasable spaces still empty ratepayers cover the cost blowouts.

Long-Term Financial Plan is full of holes and shaky assumptions.

Oval redevelopment: \$100M+ with no business plan.

We need a mayor who fixes problems not one who brings more politics into council.

The tourism award shows Fremantle's heritage is one of our main draw: the Round House, Arthur Head, the World Heritage Prison, the Markets, our Town Hall. These must be protected and open for all to enjoy and maintained.
