I am keen to serve as your representative to ensure you have a proactive and effective voice on council.

As a North Ward local raising my family, I've taken an active role in our community, serving as P&C president at our school, fundraising to improve resources for our kids, and campaigning for better cycleways and green spaces.

Professionally, I work for an international charity that strengthens democracy worldwide. This experience in community development has given me a deep understanding of how inclusive and transparent decision-making empowers communities for better living.

I've also worked as a policy advisor in federal parliament – giving me insight into achieving results across government. Combined with my experience as a board director, I bring strong skills in governance and budget management.

I want to help shape a council that values connecting our community, manages growth and change with care, and puts residents' voices at the heart of decisions.
