**Aquatic Water Treatment  
Services  
Preventative and Reactive -  
FCC670/24**

The City of Fremantle is seeking tenders for the provision of preventative and reactive maintenance services for the water treatment systems at Fremantle Leisure Centre. The contract will ensure the facility's aquatic systems operate reliably and efficiently, while maintaining compliance with applicable Australian standards and operational requirements.

Fremantle Leisure Centre (FLC) is the City of Fremantle's only leisure facility, operating year-round and attracting over 500,000 visits annually. It serves a diverse community with 2,200 members and 1,800 participants actively engaged in learn to swim programs. As a key community asset, FLC provides a wide array of programs and services, with its swimming pools being central to its operations.

The effective and efficient treatment of the centre's swimming pool water is critical to its operations. With high attendance levels and diverse pool usage, water treatment systems must meet the highest standards of quality and reliability.

**Documentation:** Tender documents can be obtained by registering to the City's tendering portal at [Tenderlink](https://portal.tenderlink.com/fremantle/).  
<https://portal.tenderlink.com/fremantle/>

**Lodgement & Deadline:** Tenders must submit their submissions electronically via the same portal no later than **2pm AWST, 7 February 2025**. Faxed or hand delivered tenders will not be considered. Canvassing of Council members will result in disqualification.

Further information can be obtained from Mario Rengifo (08) 9432 9933 during normal office hours.
