CITY OF  
**Fremantle**

**Supply and Delivery  
of One 4x2 Rear Loading  
Refuse Truck  
FCG671/24**

The Waste Management Team is dedicated to maintaining Fremantle's City Centre, parks, reserves, natural areas and beaches by minimising and collecting waste. Our goal is to celebrate the essence of Fremantle by creating clean and tidy spaces that enable our diverse community to enjoy vibrant and active lifestyles. To support these efforts, the City of Fremantle requires a reliable Rear Loading Refuse Truck to assist in the upkeep of these vital areas.

These vehicle specifications have been designed to ensure suitability for the required tasks, durability, and compliance with operational needs.

This proposal outlines a design for a refuse truck capable of efficiently collecting waste from bins ranging in size from 120 Litre to 1100 Litre MGB's. The design prioritizes safety, efficiency, and environmental sustainability. It incorporates advanced technologies and ergonomic features to optimize waste collection operations and minimize the environmental impact. The truck's robust construction and durable components ensure long-lasting performance and reliability. The driver's cab will be designed to minimize fatigue and optimize comfort.
