The City of Fremantle is seeking an Aquatic Contractor to upgrade the 50m pool and water filtration system at Fremantle Leisure Centre, including replacing the filtration system, repairing leaking pipes, and addressing tile and sealant issues. This project aims to extend the facility's lifespan, ensure safe and reliable operation, enhance maintenance, and meet current Standards and Regulations.

Opened in 1971, Fremantle Leisure Centre remains a vital community asset, and still provides an essential service to residents, visitors, swim schools, and community groups year-round. Following recent investigations, aging infrastructure has been identified for remediation, and given the centre's high usage, an upgraded water treatment system is essential to maintaining operational standards and ensuring a safe and enjoyable experience for all users.

**Documentation:**

Tender documents can be obtained by registering to the City's e-tendering portal at Tenderlink.

**<https://portal.tenderlink.com/fremantle/>**

**Lodgement & Deadline:**

Tenders must submit their submissions electronically via the same portal no later than **2pm AWST, 6th May 2025**. Facsimile or hand delivered tenders will not be considered. Canvassing of Council members will result in disqualification.

Further information can be obtained from the Procurement Team by calling (08) 9432 9933 during normal office hours.
